AUGUST 24 - SEPT. 30, 2018

## THE LANDING

A RIVETING SCI-FI THRILLER  
WRITTEN, DIRECTED & EDITED BY  
**DAVID DODSON & MARK DODSON**

"THE LANDING" IS A RIVETING INVESTIGATION INTO THE NOTORIOUS CONCLUSION OF APOLLO 18, THE UNITED STATES' FINAL MISSION TO THE MOON. INTERVIEWS WITH WITNESSES AND PARTICIPANTS, CONDUCTED ON THE 25TH ANNIVERSARY OF THE INCIDENT, REVEAL NEW LAYERS OF THE MYSTERY THAT CONTINUES TO SURROUND EVENTS WHICH NEARLY DESTROYED AN AMERICAN INSTITUTION.

**WATCH THE TRAILER** 

*"In an era when reality is defined by the pleasing lies of documentary filmmaking, the ability to seize that language to make fiction is a great artistic asset. The makers of this brilliantly speculative reconstruction of the fateful Apollo 18 moon mission utterly nail every formal note of the here's-what-happened school of talking-head storytelling." - The Stranger*
